Today the economy is something that is on everyone's mind. While times are tough, we need your support more than ever. Ultimately your donation can save a life as we try to raise valuable funds to support our programs. One way we do this is to ask for support from people such as you that can be included in a fundraising event. This letter serves as a formal request for a donation on behalf of Teen Lifeline for the Alfredo J. Molina Community Lifeline Awards dinner and auction. **Teen Lifeline** is a safe, confidential, and crucial crisis service where teens help teens make healthy decisions, together. Teen Lifeline is primarily known as a crisis hotline for teens, which is available 24 hours a day, 365 days a year. The hotline is unique in that it is staffed by teen volunteer Peer Counselors; teens helping teens find positive solutions to challenges that they encounter on a daily basis.

Teen Lifeline is able to provide our programs through the support of various event fundraisers during the year, through corporate and foundation support and through the support of individuals and organizations like you. In 2010, Teen Lifeline will be hosting our 7th annual Alfredo J Molina Community Lifeline Award Dinner & Silent Auction, entitled "The Crystal Ball". Our previous recipients include Mr. Alfredo Molina, Molina Fine Jewelers, Mr. Peter Thomas, the Todd Thomas Foundation, Carole and Bob Machiz and Derrick Hall of the Arizona Diamondbacks, Linda & Bill Pope and John R. Norton, III. This year's honoree will be announced shortly. The gala will be held on Saturday, October 23rd, 2010 at the Arizona Biltmore Resort.

With that in mind we respectfully request your support and participation in this year's awards dinner and silent auction, by providing an item or service that may be auctioned during the silent auction portion of the evening! If providing a gift certificate please make the expiration 1 year from the date of the event. Your donation is tax-deductible, and it will play a life-saving role for those who call Teen Lifeline's hotline. Your participation will include prominent recognition in the printed program. Our goal is to raise \$150,000 this year.

Whatever help you can give will be greatly appreciated and I am grateful for your consideration of this request. On behalf of the children, families, and communities Teen Lifeline serves, thank you for your past and future support.

Sincerely,

Michelle Moorhead, M.A., LPC
